The sale shall be stayed, if the defaulter or any other person acting on his behalf or claiming an interest in the land, tenders the full amount of the arrears of the revenue with the interest and other charges, provided such tender be made before sunset on the day previous to that appointed for the sale.

7. The sale of the property will not become absolute until the sale has been confirmed by the Dewan.

8. 5. Medical Officers are not prohibited from receiving pecuniary recognition of their services from a community or body of persons which may desire to acknowledge these, but the previous sanction of the Local Government or Administration must be obtained by Medical officers before receiving any public complimentary address.

6. Nothing in the above rules is meant to prohibit compliance with the request of a public body that a Government officer should sit for his portrait, bust or statue in recognition of his public services; provided that the portrait, bust or statue is not intended for presentation to the officer concerned.

7. The participation of Government officers in the raising of funds for the foundation of scholarships, or for procuring a portrait, bust or statue, as a spontaneous recognition of the services of Government officer is not forbidden; but it should be clearly understood that any solicitation on the part of officers of Government for subscriptions from any person who does not voluntarily come forward to contribute is disapproved by the Government of India.

8. The previous sanction of the Government of India must be obtained to the relaxation of these rules in any special case in which the Local Government or Administration may think this desirable.
